Dear Dave,

Hasty thanks for your 10/31 and its enclosures.

They are good.

There is no connection of which I know but Jean Davison from Georgia (originally La.) and Alexis from there and the name spelled that way, I wonder whether she married into that family.

You are absolutely righg about Roger and Penn. I saw it developing.

I wonder if the insanity of the tramps will ever end.

Garrison knew the truth long before he wrote about the one trail he never took.

Our best to you both and to all the others,

Harold
